

Description

Xtra Grip SlipRes is an inorganic oxide complex of Aluminium with extreme pressure impact resistant of up to 1.5Tonne per grain.

Shimicoat Xtra Grip SlipRes is available in many grit sizes to represent Australian Standard Slip Resistant Floor Finishing System rating of R9 to R13:

No	Grit Size	Oil-Wet Inclining Platform Test	Wet Pendulum Test
1	Superfine	R9	P2
2	Fine	R10	P3
3	Medium	R11	P4
4	Coarse	R12	P5
5	Super Coarse	R13	P6

Features

Xtra Grip SlipRes can be used with any of SHIMICOAT Epoxy or Sealer products:

1. Easy to install
2. Limited downtime
3. Chemical Resistance (ChemRes)
4. Fire Resistant (FireRes)
5. Slip Resistant (SlipRes)
6. Ultra Durability Plus & Longevity
7. Ideally for single/dual resin systems
8. Disperses readily and evenly
9. Slow to settle in product (especially finer grits).
10. Compatible with all SHIMICOAT sealers and coating materials.
11. No expansion / No contraction
12. Enhance abrasion resistance of surface
13. Maintain aesthetic appeal of decorative surfaces
14. Economical

Pack Sizes

NO	Kit Size (gr)	Price (\$)
1	2Kg	49
2	4Kg	79
3	20Kg	229

Uses

Grit for Slip Resistant Floor

Ultra Durability Plus – Enhances Epoxy Engineering Structure
