# CUT & SEAL

## Simplified Polished Concrete – The Best Doesn't Need to be Complicated

SHIMICOAT'S Cut & Seal is an economical option offering the beauty and warmth of a Decorative Natural Stone Finish without the higher price tag.

Cut & Seal, or Grind & Coat, flooring systems are carefully engineered as a more convenient and better alternative to Polished Concrete without the hassle of a tedious multi-stage grinding and polishing processes.

This coating system is neutral, gives an industrial finish and a brand-new look to concrete with many sealing options.

SHIMICOAT offers the following topical sealers for various applications:
