RESIDENTIAL HOMES EPOXY

SHIMICOAT provides Epoxy and Coating Materials in many colours, textures and designs, ideally suitable for home, patios, alfresco areas, garages and balconies. The choices are unlimited to ensure your decorative floor finishing system is suited to the surroundings.

Residential Home Epoxy is available in many finishing systems which are decorative and functional, such as Tinted Epoxy, Epoxy Flake Floors or a Metallic Marble Finish. Glitters and Glow-in-Dark options are available for special applications.

The system can be used for Prior to Coat installations such as screeding, minor ramping and other surface preparation procedures.

Manufactured by SHIMICOAT, the products are odourless, self-levelling, easy to apply and engineered to be ideally suited to Australian conditions.
