SHIMICOAT EPOXY FLAKE

SHIMICOAT Epoxy Flake Floor is a decorative, durable, seamless, hygienic and easy to maintain multi-layer coating solution. Engineered for the Australian climate and suitable for both interior and exterior applications, the flooring system consists of a basecoat epoxy in many colours and a vibrant flake broadcast in many designs and patterns including SHIMICOAT'S innovative crystal-clear UV resistant polyurethane topcoat "UVthane".

SHIMICOAT offers Flakes in three categories:

-  **Single Colours**
-  **Blend Designs**
-  **Striped Features**

SHIMICOAT Epoxy Flake Floor is an ideal solution for residential and commercial applications where a long lasting, contemporary and decorative surface is required.

SHIMICOAT Epoxy Flake Floor is a modern hardwearing alternative to traditional carpet and tile floor coverings.

Unique in style, design and pattern to create your own floor of beauty, easily match the colour scheme in your home, showroom or display areas.

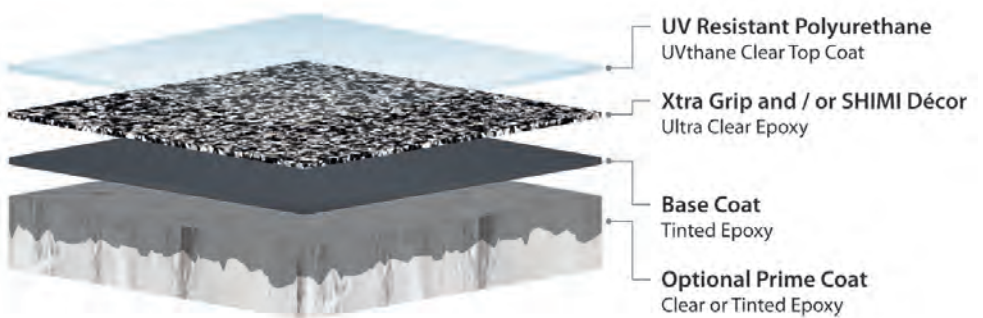

Manufactured by SHIMICOAT, the products are odourless, self-levelling, easy to apply and engineered to be ideally suited to Australian conditions.
