**SHIMICOAT**  
SURFACE SOLUTIONS

# Xtra Grip

## Slip Resistant Grits

### Usage

500g to 1Kg per 10sqm

Dosage may increase or decrease to your desired grip. Broadcast evenly.

### Applications

#### **Method One:**

Apply the basecoat and while still wet, scatter SlipRes to Grip Additive over the floor randomly and evenly at a rate of one handful (1Kg/10sqm).

Once Cured, apply thin layer of Ultra Clear Topcoat using roller. Lock in Grip with second coat.

#### **Method Two:**

Add into paint/resin in your mix at a rate of 500g-1Kg per 20Lt and apply using Roller or Brush. Constantly mix to maintain suspension of Xtra Grip SlipRes as it may settle. Ideally, we recommend Method One due to better consistency and more even finish surface.

### WARNING

Keep out of reach of children

Read Safety Material Data Sheet (MSDS) of the product prior to use.

### Storage

The products shall be stored out of direct sunlight and heat at all times. The shelf life of the product is 24 months.

#### **DISCLAIMER**

Material Safety Data Sheet, Technical and Environmental Data Sheet can be provided upon request.

The information provided in this document is guidance only and considering the uses of this product are beyond the seller's control, the product is sold without guarantees or warranties. Warranties and guarantees shall be governed by SHIMICOAT Standard Terms of Sale. The purchaser shall make its own tests to determine the suitability for their specific application, and Shimicoat Pty Ltd is taking no responsibility for misuse of the product. The purchaser assumes all risk of use and handling of this product. This product will be happily replaced or credited back if defective. Beyond this, Shimicoat Pty Ltd is not liable for any damages caused by this product or its use.
